

Columbia Grange Weekly Newsletter

23rd January 2026

Dear Parents and Carers,

This week at Columbia Grange...

Rainbow

Zara, Korbyn, Sadie and Theo have been working very hard on taking turns in an adult-led activity. This week we have been focussing on sharing being swung in the shuggy boat. They all did an amazing job and got off when their turn was finished. Fantastic!

Blossom

Quinn used his lovely big voice to say, 'dinosaur' while stomping around. It is always so lovely to hear his voice and we are so proud of him!

Rose

Ariana tried really hard when printing with a fork in art! Well done, Ariana!

Pink

Zack particularly enjoyed exploring owls this week and had fun sitting in our pretend nest. Great interaction, Zack!

Scarlet

Some children in Scarlet class joined in with our Fun with Food session where they fed the puppet some mashed potato before exploring the textures. A few children even had a little taste themselves, well done!

Ruby

This week in Art, we have had great fun learning to take pictures of ourselves.

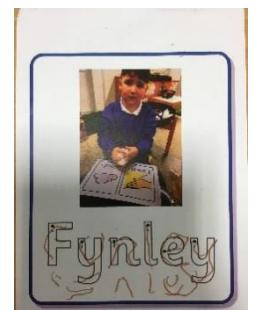

Lavender

Luke and Hully have been working extra hard this week, using colourful semantics to describe a snowman. Well done, boys!

Sage

Fynley has been working hard during his writing session this week. He tried really hard to copy the letters in his name. Well done!

Mint

Leo made June very proud in PE this week. Leo listened to all instructions and impressed all with his balancing skills.

Jade

This week in art, we enjoyed using Lego bricks dipped in paint to create our own igloos. We loved exploring a new tool and experimenting with different textures to make our artwork.

Emerald

This week, the children in Emerald class have been diving into learning about sea animals and their different ocean habitats. We also learned about the important role of a **Marine Biologist** and how they study and protect ocean life. We transformed our role play area by adding wetsuits, snorkels, and ocean-themed resources.

Forest

This week, the children have been accessing the outdoor area and using the new water toys to practise their pouring and filling skills. Lily showed great interest and even managed to engage in lovely interactions and turn-taking with some of her friends.

Teal

Lily did some great art this week and joined in well with the session!

Navy

Ollie impressed us all with how fast he was able to peel a potato in our food technology session this week. Amazing fine motor skills and great control!
