

Columbia Grange Weekly Newsletter

6th December 2024

Dear Parents and Carers,

This Week at Columbia Grange...

Rainbow 1

This week in Rainbow 1 we had our “Stay and Play” session with parents. Everyone loved making hot chocolate cones, reindeer dust, a gingerbread man and also lots of Christmas crafts. We also listened to lots of festive music with our families.

Sage

Sage class loved having our parents visit us for Stay and Play! We decorated gingerbread men and salt dough tree decorations, coloured in pictures and drank hot chocolate. It was lovely to see everyone – thank you for taking time out of your day to spend time with us!

Mint Class

What an amazing adventure Mint Class had this week! We travelled on the bus to Newcastle to see Fenwick window and journeyed through 'The 12 Days of Christmas'. We also had our Christmas 'Stay and Play' session, where we had lots of fun, carrying out Christmas crafts and playing with our families and friends.

Jade Class

Sarah was very impressed when Kaden came to show off his fantastic winter writing skills. She was so pleased with all of Kaden's hard work he got given three stickers!!! Well done Kaden, keep up the good work!

Attendance: Well done to Navy class who are the stars of the show this week with 100% attendance!
